

Initial Expenses for the Bariatric Program

All patients are required to participate in the comprehensive program which includes nutrition, fitness and behavior health support personnel. These fees are not covered by insurance at this time.

1. Nutrition, Health Behavior and Fitness Assessment

Non-refundable **\$300** Program Fee due at 1st appointment. This includes Initial assessments and 6 months of post op care.

*It is recommended you schedule these follow up visits every 4-6 weeks.

2. Pre-operative Diet

Complete 2 weeks prior to surgery. Cost to purchase from our on-site store = **\$150.00**
